

HLP New Product Information Sheet.

Model No.: *Red-I-Temp*

- **WATERPROOF**
- **BRIGHT RED COLOUR** - so it is easily seen in the production area
- Handy, pocket sized thermometer with 125mm food grade stainless steel probe on 1 meter of cable. Probe magnetically attached to the side of the main unit for easy storage. Probe safety end cover.
- Optional Wall Mountable Bracket also available.
- Flip-out stand.
- Measures from -50°C up to +200°C.
- Features:
 - **ON / OFF switch,**
 - Hold,
 - Max-Min,
 - **Alarm settings available with both high & low settings always displayed on screen,**
 - Audible alarm when activated and 'one key press' action to stop alarm sounding.
- Accuracy: 0.5°C. Meets food standard
- Displays temperature to 0.1°C.
- NOTE: The alarm will remain on for as long as the batteries last. Many units on the market turn the alarm beeper off after just 1 or 2 minutes. This unit does not do that, also the min / max also remains on.
