- Installation Instructions

Application • Use to deep clean the indoor evaporator of mini-split A/C units that are located in areas where wall and floor protection are necessary. Kit is reusable. The replacement Funnel Bags are for single use only. Desolv Solution and Funnel Bags are also sold separately.

U.S. Patent No. 6,863,116 Under license from Crossford International LLC

Desolv™ Mini-split Evaporator Coil and Blower Fan Cleaner.

Code	Description	Qty.
82565	Desolv Solution (1 gallon)	6
82561	Desolv Aerosol (16 oz.)	10

Additional Features • Completely biodegradable formula presents very little hazard to people, animals, aquatic life, and vegetation. Unlike strong acid and alkaline coil cleaners, this heavy duty product will not chemically attack (corrode) coils, surrounding metal, other non-electrical HVAC equipment components or application equipment.

Application • Powers off dirt and build up from air conditioning, refrigeration and heat pump coils safely and effectively. • Reduces energy cost by increasing the efficiency of the A/C system.
