

10 Reasons to Choose Gree

CELEBRATING
20
YEARS
IN AUSTRALIA

1

"One in 3 is Gree". Gree manufacture 1 third of all air conditioners world-wide. With 400 million users, Gree brands are sold across more than 160 countries and regions.

All Gree split air conditioning systems used for residential or commercial comfort cooling have a 6-year parts and labour warranty.

2

3

All Gree Hi-Wall Splits are supplied standard with Wi-Fi connectivity.

The strength of Gree means it employs over 90,000 employees, has more than 15,000 engineers, 1045 labs, 132 research institutes worldwide.

4

5

Many household, leading brands have manufacturing partnerships with Gree, meaning while the badge may not be 'Gree', it is manufactured by Gree.

Driven by passion, innovation and realisation, Gree has applied for over 75,000 technology patents, including about 35,000 invention patents.

6

7

In 2022, Gree celebrated 20 years of distribution in Australia, demonstrating proven reliability amongst its customer base.

Gree Air Conditioners come with standard inclusions such as "I-Feel", soft start and noise reducing technology, plus intelligent defrost, high density filters and more.

8

9

Gree is supported locally by a full range of spare parts for all models distributed across Australia and backed by a skilled technical team and warranty providers for comprehensive after sales support.

Gree equipment is MEPS compliant and accredited with ISO 14001 Environmental Management Systems and ISO 9001 Quality Management Systems.
